No. CV-07-02513-PHX-GMS  
**ORDER**

15 The Court has received and reviewed Maricopa County Attorney William  
16 Montgomery and Maricopa County Attorney's Office's (MCAO) Objection to Disclosure  
17 of MCAO00640 and MCAO00650. (Doc. 1367.) The Court finds that the portions of  
18 MCAO00640 and MCAO00650 to which Mr. Montgomery and MCAO assert the work-  
19 product doctrine applies are protected from disclosure and fall outside the subject-matter  
20 waiver found by the Court in its May 14, 2015 Order. Therefore, the Court sustains the  
21 objection. The discoverable portions of MCAO00640 and MCAO00650 have already  
22 been disclosed by Defendants. (*See* Doc. 1361.)

23 The Court has not received any objection to the disclosure of the documents Bates  
24 numbered MCAO00573-76 and MCAO00626-29. If they haven't done so already,  
25 Defendants shall disclose those documents immediately.

26 Dated this 21st day of September, 2015.

28 Honorable John Z. Boyle  
United States Magistrate Judge
